

Foaming Descaler

Product Description

A foaming cleaning and descaling solution expertly crafted with natural organic acids and surfactants derived from plants. This powerful formulation is designed to efficiently eliminate limescale, unsightly surface stains, and watermarks.

Core Benefits

- Removes limescale build up from surfaces.
- Eradicates surface staining and water marks.
- Slightly viscous foaming formulation provides effective surface coverage and cling, even on vertical surfaces.
- Delivers long-lasting shine and a pleasant, long lasting fresh fragrance. Highly effective even in very hard water areas.
- Synergistic blend of organic acids boosts descaling performance.
- Non-VOC, non-hazardous eco-solvent cuts through body fats, soap scum and grease enhancing cleaning performance.
- Sustainable plant based surfactants deliver excellent cleaning performance whilst reducing CO2e. Carbon neutral. Naturally derived ingredients. Not tested on animals. 100% PCR – no single-use plastic. 100% Biodegradable.

Directions For Use

Use sparingly in warm water. Add approximately 5ml of product to 1 litre of water. Store in cool area away from direct sunlight.

Health & Safety

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Only for professional users/specialists. Store in original closed containers away from extreme temperatures.

Areas of use:

Floors

Walls
